

Italian Speaker Junior Financial Analyst

ES-14258

Are you an ambitious and detailed-oriented individual seeking to practice your financial and language skills? Are you eager to join a multinational company where you have the chance to achieve results as part of an international team? Do you speak Italian on a B2/C1 level? If the answer is yes, then come to work with us.

Our Partner is an IT services, consulting, and business solutions provider that has been partnering with the world's largest businesses in their transformation journeys.

Currently, we are looking for an Italian speaker with financial background. As Junior Financial Analyst, you would be extracting information from financial disclosures and agreements, legal documentation, official filings, as well as regular reports of enlisted public and private companies from across the globe, using a Client-provided interface. The interface is developed specifically to update and maintain the Customer's database with high focus on accuracy, while providing real-time, time-to-market information for end-customers.

Tasks:

- Updating interest rates for Floating Rate Bonds from provided metrics or by calculating based on final documentation.
- Updating Covered Bond pools while maintaining database of regular reports on the Client-developed system.
- Procuring legal documentation for specified list of Corporate bonds identified by the Client.
- Setting up Corporate Bonds and Structured Note deals newly issued to the market based on financial disclosures, with high attention to data point accuracy and time-to-market indicators.
- Maintaining the Customers' database by delivering additional ad-hoc tasks as per Client requirement.

- Meet Key Performance Indicators, such as Productivity, Quality and Turnaround Time related metrics, as well as other requirements and goals as defined by the Direct Line Manager through the goal setting process according to Performance Management System.
- Adhere to the defined shift timings and other company policies as per the Code of Conduct, Integrated Quality Management System, Hungary policies and any other guidelines applicable.
- Adhere to time shifts as per Client expectations and business needs to ensure time to market coverage:

Early shift: 8 am CET - 5 pm CET

Normal shift: 9 am CET - 6 pm CET

Late shift: 10 am CET - 7 pm CET

Requirements:

- Work experience or studies related to the financial domain
- Your English knowledge is up to business standards
- Degree in Finance/Economics
- Business proficiency in Italian and English language
